It more or less exists as it used to be a 1000-year behind our times. This part of the city reflects an unusual blend of medieval Portugal, Dutch and English country life grafted on to the tropical Malabar Coast. The 16th century Mattancherry Palace, also known as the Dutch Palace is a fascinating fort with elegant buildings and interesting collections from the Royal traditions of the region. The unique feature of Cochin is the unexpected and isolated Jewish community, whose origins date back to AD 52.
